Hasselblad Webinar – Tom Oldham

WEBINAR - INTERVIEW WITH TOM OLDHAM

21/05/2020

15:00 - 16:00

Thursday 21st May 2020, 15:00 (British Summer Time)

As the Hasselblad ambassador for the H6D camera's launch in April 2016, Tom is an International award-winning London-based portrait photographer, shooting portraits of musicians, sports stars and all sorts of talented folk across the world.

This informal chat will look to cover Tom's career as a photographer; his beginnings, inspirations, and achievements, along with covering some of Tom's personal, self-initiated and self-funded projects; including his 'The Herder Boys of Lesotho' exhibition, and more recently, his Eldmodur project, featuring Iceland's cross-fit athletes.

A chat with Tom is always a fun and enjoyable experience; he's a genuinely nice bloke, willing to share his experiences within the photographic industry and with many humorous stories to tell, so this is a webinar not to be missed.
