Avoiding the Mundane in Street Photography

Separation is the Cure for Mundane Blindness

Hot tip: if you want someone to see your good photos, don't hide them in amongst your mundane or boring ones.

Alien Drone Crashes

NASA's Mars Ingenuity Drone Almost Crashed Due to Camera Glitch

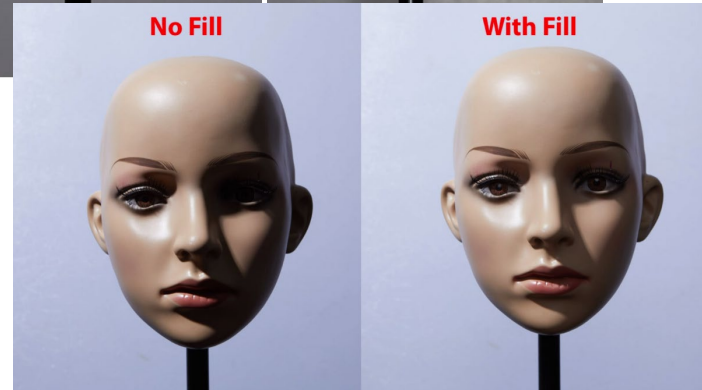

NASA's Mars Ingenuity drone survived a close call that could have ended in disaster. During its sixth flight, a glitch in its camera image delivery pipeline caused the drone's onboard navigation system to malfunction.

Luckily, despite this error, Ingenuity was able to safely touch down on the surface within 16 feet of its intended landing location. Grip says that one reason it was able to do so was because of the efforts the engineers of the drone's flight control team put into the programming. Ingenuity has ample "stability margin" that was designed to allow it to tolerate significant errors without crashing, which luckily included errors that would come as the result of poor timing.

“Poor” traits 😊

Big BIG Brother

A Drug Dealer's Photo of Cheese Leads to His Arrest

A Liverpool man was identified as a high-profile drug dealer and arrested after he shared a photo of a block of cheese in the palm of his hand, which allowed authorities to analyze his fingerprints.

TOP 10

Joaquín Gómez Sastre | Spain

→ **Image title:** Rapa das bestas

→ **Image description:** Some *aloitadores* jump on a wild horse and only with their hands and bodies try to reduce it to be able to cut its manes and deworm it. Every year in the Galician town of Sabucedo (Spain) they repeat this tradition with the wild horses that have been in winter in the mountains.

TOP 10

Azim Khan Ronnie | Bangladesh

→ **Image title:** Incense workers

→ **Image description:** Vietnamese workers sits surrounded by thousands of incense sticks in Quang Phu Cau, a village in Hanoi, Vietnam, where these sticks have been traditionally made for hundreds of years. Incense plays an important role in the spiritual lives of Vietnamese people. People use incense in all worship activities. The bamboo bundles are arranged on the ground on sunny days so as to dry them. To make the incense sticks the bamboo is first split in two, cleaned and dusted and then a third of the stick.

Good Memories from 2020
Inspiration: Interview, Photo, Photo for Therapy
Our 2020 as a Group lives all these years as 2020 can become good memories behind, and not just the idea behind our 2020 magazine. During the year we met in person or virtually and put our creative juices to work, rendering some great images and fond memories. The gorgeous pages show a little of...
