# Adobe News: PS Updates

## Major Photoshop Update: Sky Replacement, Healing Brush, and More

### Some improvements:

- More Skies & easier access
- Puppet warp mesh visualization improvements

### Neural Filters:

- Preset images for Style Transfer
- Use any custom image and apply the style of that image to your document
- Superzoom on entire layer instead of only a cropped portion

Good Memories from 2020  
Inspiration: Interesting Photos, Knowledge  
Our 2020 as a Group lives all these year as 2020 can become good memories behind, and that was the idea behind our 2020 Instagram. During the year we met in person or virtually and put our creative juices to work, rendering some great images and found memories. The gorgeous pages show a little of...
